

Science

Year 7/8 Science (2023-24)						
	Half-term 1	Half-term 2	Half-term 3	Half-term 4	Half-term 5	Half-term 6
Topic	Inheritance and Adaptation	States of Matter and Separation Techniques	Waves and Sound and Light	Earth and Beyond	Electricity, Magnetism and Energy	Ecology and Reproduction

Year 7/8 Science (2024-25)						
	Half-term 1	Half-term 2	Half-term 3	Half-term 4	Half-term 5	Half-term 6
Topic	Cells and Body Systems	Atoms, Elements and Compounds and the Periodic Table	Forces and Pressure	Chemical Reactions Acids and Alkali	Healthy Body and Electricity	Working Scientifically

Year 9/10 Science (2023-24)						
	Half-term 1	Half-term 2	Half-term 3	Half-term 4	Half-term 5	Half-term 6
Topic	Ecology, Chemical Analysis and Using Earth Resources	Forces and Homeostasis	Waves Rate of reaction	Space and Inheritance Organic chemistry	Evolution Chemical analysis	Maths in Science

Year 9/10 Science (2024-25)						
	Half-term 1	Half-term 2	Half-term 3	Half-term 4	Half-term 5	Half-term 6
Topic	Cells, Atomic Structure and Chemical Bonding	Energy and Electricity	Infection and Response, Atomic Structure,	Photosynthesis, Chemical Change	Quantitative Chemistry and Energy Changes, Organisation	Required Practical and Working Scientifically

Science

Year 11 Science (2023-24)						
	Half-term 1	Half-term 2	Half-term 3	Half-term 4	Half-term 5	Half-term 6
Topic	Key concepts Paper 1 Physics and Chemistry	Key concepts in Biology and Mock Preparation	Key concepts in Paper 2 Chemistry and Physics	Key concepts in Biology paper 2 and Mock Preparation	Revision and Exam Technique	Revision

Year 11 Science (2024-25)						
	Half-term 1	Half-term 2	Half-term 3	Half-term 4	Half-term 5	Half-term 6
Topic	Key concepts Paper 1 Physics and Chemistry	Key concepts in Biology and Mock Preparation	Key concepts in Paper 2 Chemistry and Physics	Key concepts in Biology paper 2 and Mock Preparation	Revision and Exam Technique	Revision
